## Minimum Investment is \$50,000

Which we believe offers a great opportunity for individuals looking to invest in a high-yield investment opportunity

💡 We understand that investment decisions can be difficult, which is why we have designed our investment structure with flexibility in mind. After 10 months, investors may request a withdrawal of their money, subject to a 60-day notice period.

We have a strong track record of success, and we are confident that our investment opportunity will deliver strong returns for our investors.
